## STUDIO INFORMATION:

The Dancehouse is located in the beautiful area of Point Loma. Now on the first floor, and still in a warehouse, we have expanded and are now located at 2180 Chatsworth Blvd. San Diego CA 92107, on the corner of Voltaire and Chatsworth, behind Stronghold. Our studio, at 1,300 square feet and about 43' long x 25' wide, has an entire mirrored wall, full wood flooring with an option for vinyl flooring (tap/folklorico), a wall of ballet barres, one professional PA system that offers 6 channels and two cordless microphone options, and can play music from computers, IPODS, Bluetooth, and more. We also function as a small theatre that seats 75, has a full wall of stage curtains, and some theatre lighting. We have two gray parking spots available in front of our studio and street parking is available all around the studio as well.
